

Gardex Vertical

Features

Each drawer features a “Pendaflex” hanging system for ease of filing or retrieval. A follower block and a range of optional features can be installed for more efficiency (see Optional Equipment).

Five Year Warranty on All Parts and Labour.

All filing cabinets carry a lifetime warranty for full replacement cost of unit.

- Listed by Underwriters Laboratories Inc.
- Key-Operated plunger lock system
- Gard-lite insulation
- Independent insulation surrounds each drawer
- Rust-resistant textured finish

Optional Equipment

- **Interior cross tray**, to be set on inside drawer, permits the filing of cheques and cards of various dimensions.
- **Factory-installed drawer-in-a-drawer** factory installed option that divides the interior of each drawer. Optional card file inserts allow it to accommodate cards, fiches, cheques and/or cross trays.
- **Security locks**. Independent security can be added for one or more drawers with optional key locks, combination locks, or both.
- **Caster base**.
