

Heavy Duty Depositories

Available in a variety of sizes, the Heavy Duty Depository safe offers the ultimate hold-up protection for the safeguarding of cash. Deposits are made through the heavily baffled front-load type drop for secure storage until authorized removal can be made. Ideal for gas stations, retail and convenience stores, schools, restaurants and delivery services. The Access Security heavy duty depositories are perfect for anywhere a secure non-returnable deposit is required.

Built with durability in mind.

Features

- Class B Insurance rating with ½” thick steel door and ¼” thick steel body
- Front load feature allows deposits to be made while the safe is locked
- UL-listed electronic lock-standard
- Self-locking
- Predrilled anchor holes
